ABOUT

Front-end developer with a focus on UX and advanced Digital Communication student. My skills as a developer are complemented by my knowledge in design and user experience. Also, artificial intelligence has become a fundamental tool in my professional life. I am a consistent and self-taught person who enjoys teamwork and am always open to learning new skills and technologies.

WORK EXPERIENCE

Freelance

January 2023 - Present

Freelance Web Developer & Designer

Buenos Aires, ARG

- Web interface wireframing, designing and prototyping in Figma
- Development and maintenance of accessible, scalable and responsive websites
- Improved my communication with clients
- Featured Projects:
 - [JP Rentals](#): Design and development of a website for an apartment rental business in Buenos Aires. I used Figma for the design phase and coded with Astro, React and Tailwind
 - [Matías Mesa](#): Design and development of a website for a photographer and filmmaker of movies and shows. I designed the website using Figma and then programmed it with Astro, React and Scss

Delateral

December 2023 - August 2024

Project Management Internship

Buenos Aires, ARG

- Worked in branding, communication and digital marketing projects.
- Websites and web platforms management using Wordpress, HTML, CSS and JS
- Weekly meetings with the team and clients
- Redesign and development of the company's website alongside the design team

Universidad of Palermo

August 2023 - July 2024

Assistant Professor

Buenos Aires, ARG

- In two courses:
 - Digital Production III (Web Development | HTML - CSS - JS - PHP - SQL) - Prof. Mariano Ingerto
 - Interactive Communication III (UX / UI Design) - Prof. Álvaro Ghisolfo
- Lessons planning
- Student support in coding and design projects
- Helped students to code dynamic websites with HTML, CSS, JS, PHP and SQL
- Helped students to design, prototype and test user-friendly applications in Figma

EDUCATION

Universidad de Palermo

Graduation November, 2025
